Mega Padlock

Cost-Effective, User-Friendly Mega Padlock Seal

Slim, flat and user-friendly, Mega Padlock is designed for single hand application and tool free removal.

Mega Padlock is suitable for applications such as securing utility meters, cash boxes, airline trolleys and ambulance cabinets. The larger flag allows for laser-etched name, logo and bar code.

Features

- 1 The Mega Padlock seal is etched with permanent laser marking for customized names, logos, barcodes and sequential numbers for security and easy identification.
Laser marking offers the highest level of security as it cannot be removed or replaced without showing clear signs of tampering.
- 2 With a slim body, the Mega Padlock fits many applications and lies flat for efficient storage.
- 3 Featuring pre-molded breaking point on the pin allows for easy removal, and the seal is designed to be closed with one hand.
- 4 Marking on both sides is available.
