

Tamper-Evident Bags

Tough, Tamper-Evident Plastic Bags and Envelopes

A range of customisable TE Bags that can be easily and securely sealed and show clear signs of tampering when security is breached.

Bag designs are unique and not easily copied and the material used is tough enough to withstand normal handling yet delicate enough to trigger tell-tale signs when tampered with.

The bags are made to be highly user-friendly in application and handling with TE Bags made from 100% recyclable plastic.

Customer specific configurations are available for various applications that include cash deposits and cash-in-transit, confidential and sensitive documents, police and forensic evidence, duty-free shopping bag.
